NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

We can well imagine that every one that missed the Haskell-Hamlin game Friday night and tried to read about it the next morning in the Abilene Reporter-News are still trying to figure out what happened. Not only did the story not tell much of the action, the statistics were so far wrong for both teams that they were unbelievable.

This game had to go down as one of the most exciting we have ever watched. It just seemed a shame that our boys could play so well and still end up with a tie. Even the Haskell fans were saying that we deserved to win.

But back to statistics--we don't know how the figures got so mixed up, but the only figures we agreed on were the number of interceptions. Where we had 329 yards rushing for Hamlin and 117 for Haskell, the figures out of Haskell show 176 for Hamlin and 247 for Haskell. In the passing department we came up with 31 yards for Hamlin and 163 for Haskell while they came up with 2 for Hamlin and 36 for Haskell.

We are used to seeing a variation of five to ten yards one way or the other in the cumulative totals but this week was something else.

The tie gave the Pipers a 4-5-1 season and put them in fifth place in district. The Stamford Bulldogs captured their third consecutive championship and they will meet Granbury Friday in Stephenville. Ballinger was second with a 5-1-1 record, Coleman came in third with a 4-2-1 slate, followed by Haskell with 3-2-2. Hamlin's 2-4-1 put them fifth, followed by Winters and Merkel with 2-5 records and Anson came in last with a 0-6-1 record.

It is a little sad to look back and speculate on how things would have been, if the boys had played all season like they did against Haskell Friday. But then this is part of football and a part that makes it such a good training ground for later life. Maybe if just one of the boys playing this year found out Friday night that he was capable of better things, it was a good year.

According to Supt. Cook, the Legislative Council took no action at their meeting this fall on making any changes in the new awards rule. This means that the rule will be in effect at least for this year and next. The rule limits awards, such as football jackets, to one award to a student during his high school enrollment.

The school can spend \$20 now for the award instead of the \$15 that they had been able to spend in the past, but a boy cannot get a B Team jacket one year and then get a varsity jacket the next. The school can award a symbolic award each year as long as it does not exceed \$3 in cost.

We understand that Coach Joe Youngblood plans to issue plaques to all of the boys that do not elect to take their jackets this year.

It is possible that the rule will be changed after the two-year period, but then, we thought that the transfer rule would have been changed before now.

We see where a Research Institution is calling for several reforms in the Social Security program and one of these changes appeals to us.

The flaw that they point out that we would like to see changed is that working husbands and wives are treated as separate taxable units. This can mean that they pay more into Social Security and receive less on retirement than a retired man whose wife did not work.

For all practical purposes this amounts to the wife being required to pay in Social Security taxes but not receiving any benefits in return for her money. This appears to be completely unfair and unjust.

POWDER PUFF FOOTBALL — Mike Young, standing fourth from right, works with senior and freshmen girls in preparation for the Powder Puff football game to be held Saturday, Nov. 30, at Piper Stadium. The game will be sponsored by the Senior Class. Freshmen and seniors the Hamlin Cowgirls, will be opposed by the sophomores and juniors, the Green Bay Packerettes. Admission will be 75¢ for adults and 50¢ for children and students. The Senior Class will also operate the concessions. Game time will be 7:30 p.m.

Community Thanksgiving Service Planned for Sunday Evening At 7

Rev. B. C. Freeman, pastor of Oak Grove Baptist Church, will give the message at the Sunday evening community Thanksgiving service sponsored by the Hamlin Ministerial Alliance.

The service will be held at 7 p.m. in First United Methodist Church.

Rev. Cecil Hardaway, new president of the Alliance, and pastor of First United Methodist Church, will preside.

All member churches of the Alliance will dismiss their regular evening services for the joint service. The public is invited.

San Angelo Rites Held Monday for Mrs. Jim Feagan

Mrs. Jim (Dollie) Feagan, 83, died at 1 p.m. Saturday at Hamlin Memorial Hospital following a four month illness. She had lived in San Angelo for 40 years where her late husband was engineer for the Santa Fe Railroad. More recently she had been living at Holiday Lodge here.

Services were held in San Angelo at 2 p.m. Monday in Johnson Funeral Home Chapel. Burial was in San Angelo Cemetery.

Born Dollie King Aug. 17, 1885, she was the daughter of the late M. and Mrs. J. T. King of Neinda. On Dec. 25, 1906 she married Jim Feagan and they lived in Hamlin until 1924 when they moved to San Angelo.

Mr. Feagan died May 1, 1962.

She was a member of the Methodist Church.

Survivors include one brother, Jack King of Seattle, Wash.; one nephew, Cecil King of Laredo; two nieces, Mrs. Rae Russell of Downey, Calif. and Mrs. Corinne Barnhart of Lamar, Colo.; one brother-in-law, E. C. Feagan Sr.; and three nieces by marriage, Mrs. O. D. Roland, Mrs. Harry Dillard, both of Hamlin and Mrs. August McWilliams of Winters.

Palbearers were Santa Fe employees.

Youth to Serve Dinner Sunday

The United Methodist Youth of First United Methodist Church will serve a Thanksgiving dinner, Nov. 24, from 12 noon to 1:30 p.m.

Price for the tickets will be \$1.50 for adults and \$1 for children 12 years and under.

Tickets are available from any one of the Junior High or Senior High youth. Everyone is invited.

Rev. A. D. Stewart, pastor of the Assembly of God Church, will read Old Testament scripture. Rev. Carl Pool, pastor of Foursquare Gospel Church, will read New Testament scripture.

Hamlin Band Gets I Rating In Marching

Hamlin High School band received a Division I rating at the Regional marching contest held in Odessa Saturday. Only two of 11 Class AA bands received the I rating, Hamlin and Denver City.

The four band majorettes, twirling in an ensemble, won a first. The majorettes are Peggy Jones, Rhea Sue Vaughan, Patty Cowan and Dianna Crowley.

In twirling solo, Dianna received a I, and Peggy Jones, a II.

Other bands' ratings were as follows: Stamford, II; McCamey, II; Merkel, II; Crane, III; Anson, III; Tahoka, III; Stanton, IV; Alpine, IV.

182 Children Get Measles Vaccine Here Thursday

Students from the first through sixth grades were given the measles vaccine during the mass inoculation at Hamlin schools Thursday.

There were 99 school age children receiving the vaccine and 83 pre-school children.

The project was sponsored jointly by the Hamlin Jaycees and the Parent-Teachers Association.

Foster Cook Gives Rotary Program

Foster Cook, superintendent of Hamlin Public Schools, spoke at the Hamlin Rotary Club using his duties as school superintendent as the basis for his talk.

Herald to Print Early Next Week

Because of the Thanksgiving Holiday on Thursday, Nov. 28, the Hamlin Herald will be published a day early. Area subscribers will receive their paper on Wednesday.

All news and advertising deadlines will be moved up one day. Everything must be in by Monday afternoon.

Rev. Bob Sena, pastor of the Baptist Mexican Mission, will give a poem or thoughts on Thanksgiving.

Rev. Gerrie Hensley, pastor of Calvary Baptist Church, will give the prayer. Rev. Billy Bush, pastor of Central Ave. Baptist Church, will give the benediction.

An offering will be taken to be used for the Alliance's Christmas Benevolence Fund.

Civil Defense Equipment Display Planned Sunday

A display of Civil Defense Equipment will be set up Sunday, Nov. 24, from 1 to 3 p.m. on the parking lot west of the high school stadium.

The display includes rescue truck and equipment, emergency lighting and power equipment, patrol boat and water rescue equipment and fire truck from the Taylor County Rescue Service in Abilene.

The public is invited. Ranchers, farmers and persons interested in rural firefighting are urged to participate. Members of the Taylor County Rescue Service and Hamlin Civil Defense Service will be present to answer questions.

Postmaster Asks For Help With Christmas Mail

Times have changed, and our mail attests to it.

This year, theoretically, every man, woman and child in the United States will be receiving 407 pieces of mail annually. In 1847, the average postal patron received six letters a year.

During the Christmas rush, the postal service carries more mail in a month than most countries do in a year.

Hamlin's Post Office will deliver about 150,000 pieces of mail during the holiday period and process an even greater amount for delivery in other locations, according to Postmaster W. L. Hunter.

The Postmaster asked all area residents to mail now to avoid severe overloading of postal facilities. He also urged residents to keep their sidewalks and rural mail boxes clear of snow and ice so that postal employees will not be delayed in delivering the large volume of mail.

James Holt, son of Mr. and Mrs. V. E. Holt, entered Hendrick Memorial Hospital Tuesday afternoon for knee surgery that was performed Wednesday.

Basketball Play to Open Here Friday With Wylie

The Pipers and the Piperettes will open the 1968-69 basketball season here this weekend as they will host Wylie here Friday night and Lueders-Avoa here Saturday night. The district race will open Dec. 17 with Haskell.

There will be three games here Friday with the Boys' B team game starting at 5. Only the two varsities will play Saturday night with the girls' game starting at 7.

Both the Pipers and the Piperettes will play in three tournaments this year, including the tourneys that they will host. The local boys tourney will be held Dec. 5, 6, 7, with the girls playing that weekend in the Anson tourney. On Dec. 12, 13, 14, the boys will play in the Graham tournament and the girls will play in the Hardin-Simmons annual event.

The final two tourneys will be after district play starts with the boys playing at Stamford Dec. 26, 27, 28, and the girls hosting their tourney here Jan. 2, 3, 4.

Coach Earnie Reusch said that Coleman and Winters would probably be the strongest teams in the district.

The Piper Basketball Coach said that he has two starters

back from last year's team that finished with a 24-4 record and was 8-2 in district. They are Milbourne Newland 6'3" and Charles Shira, 6'1". Lettermen back are Ernest Ledbetter, 6'2", and Peter Camacho, 5'9". Others back that saw some action on the

MRS. O. H. WEAVER
... services held Friday

Funeral Services Held Friday for Mrs. O. H. Weaver

Services for Mrs. O. H. (Fayrene) Weaver, 45, were held here Friday at 4 p.m. in First Baptist Church with the pastor, Rev. Max Brown, and Rev. Frank Codington, pastor of the Neinda Baptist Church, officiating.

Mrs. Weaver, an employee of Hamlin Flower and Gift Shop, died at 4:30 a.m. Thursday at Hamlin Memorial Hospital after an illness of several months.

Born Fayrene Gardner Nov. 5, 1923, she was the daughter of Mrs. W. E. Gardner and the late Mr. Gardner of Hamlin. She was married to O. H. Weaver in Hamlin June 7, 1941. He is a Texaco dealer.

She was a member of First Baptist Church. A graduate of Hamlin High School, she was a Coming Home Queen nominee for the 1965 Hamlin High School Homecoming.

Survivors include her husband, O. H.; one son, O. H. Weaver Jr.; her mother, Mrs. Gardner; two sisters, Mrs. J. C. (Tommy) Hodnett of Winters, Mrs. Charles M. (Gladys) Carter of Abilene and several nieces and nephews.

Burial was in Hamlin East Cemetery.

Palbearers were C. R. Reynolds Jr., J. C. Turner, Floyd Clifton, Leldon Clifton, H. W. Madden, Billy Joe Wilson, Paul Cooper, and Dr. M. L. Smith.

Awards Presented At Pack Meeting Monday Evening

Awards were presented and colored slides made at previous Scout Expositions were shown at the Monday Meeting of Pack 43. Shown by Robert Fowler, the slides were taken during the early 1960's showing the work of Cubs and Boy Scouts.

Awards presented by Cubmaster Gean Witt were Bobcat, Mario Quintanilla, Gary Lain and Scotty Knox; silver arrow points, Greg Bessire, James Irvine, Stanley Nail, two; and Nicky Bond, one silver and one gold.

A Wolf badge went to Jon Bill Holtz and Phil George was presented a one year service pin.

The Cubmaster reported that a flag for the Pack and gold tassels were on order.

Students Invited

All Hamlin High School students are invited to come to the Hamlin Jaycee Building from 9 to 12 following the high school Football Banquet.

Entertainment will be by the Blue Tweed group. Parents of the students are sponsoring the event.

varsity and played on the B team are James Asher, 5'11", Charles Pearce, 5'9", and Mike Owens, 5'11".

Also up from the B team will be Robert Bolden, 5'10" and Dwayne Miller, 6'0" and Gary Smith, 6'0". Both Miller and Smith will be out for the first part of the season with injuries suffered in football.

B Team Coach Roger Moore has about 16 or 17 boys out.

Piperette Coach Dan True-loce has seven girls that lettered last year but feels that they will be short on height and proven scoring ability. He said that their strongest asset will be their defense as they will have two of their three starting guards back from last year.

Returning lettermen that were starters at least part of last season are Jane Hymer, Linda Nichols, Rhea Sue Vaughan and Mary Cork. Others that lettered last year are Jill Maberry, Marcia Steele and Debbie Hardaway.

Expected to play for the Piperettes this week at forward will be Rhea Sue Vaughan, Mary Cork, Marcia Steele, Debbie Hardaway and Sharon Hastings. At guard will be Jane Hymer, Linda Nichols, Jill Maberry, Ivy Harper and Jana Ferguson.

With the change up in the district lineup this year, there will be two new teams competing for the girl's title. New this year will be Coleman and Merkel. The other team in the District, Ballinger, will not have a girls team. Anson is being picked as the strongest in the league.

Services Held Wednesday for O. L. Cohorn, 81

O. L. (Ollie) Cohorn, 81, a resident of northeast of Hamlin for 51 years, died at 11:10 a.m. Monday at Hamlin Memorial Hospital where he had been hospitalized for two weeks.

Services were held Wednesday at 2 p.m. in First United Methodist Church with the pastor, Rev. Cecil Hardaway, and Rev. Marshall Stewart, pastor of the Church of the Nazarene officiating.

Born Aug. 22, 1887, in Ellis County, he was the son of the late Mr. and Mrs. Fate Cohorn. He was married to the former Hattie Virginia Smith at Italy, Tex., in 1907. She predeceased him in death.

Hewas a farmer and a member of First United Methodist Church and the Masonic Lodge. Burial was in Hamlin East Cemetery.

Survivors include four daughters, Mrs. Jewel Nelson of Houston, Mrs. Gladys Sweet of Big Lake, Mrs. Joe (Lou) White of Odessa and Mrs. T. C. Edith) Gabriel ther, Dick; seven grandchildren, of Hobbs, N. Mex.; one bro-dren and 15 great-grandchildren.

Masons were pallbearers. They were C. D. Bond, L. M. Braley, J. V. Sauls, Horace Black, O. P. Light and James Stewart.

Ex-Students Set Bake Sale Nov. 27

The Hamlin Ex-students Association is sponsoring a Bake Sale Wednesday, Nov. 27, at McDonald's Department Store and Reynolds Drug Store. Proceeds will be used for furnishings in the teachers lounge in the new high school.

Orders may be called in to Mrs. Robert Fowler, 576-2345, or Harbert's Furniture Store, 576-2221. Deliveries will be made upon request.

The downtown sale will begin at 9 a.m. Everyone is invited to take advantage of the sale to get desserts for Thanksgiving.

Favorite Recipes

Senior mothers were taken into consideration when this recipe for Brownies was chosen. In the proportions given, there will be plenty for the two dozen that they need to send for concession, and then have some left for the family.

We welcome recipes for this column and ask everyone

with a favorite recipe to give it to us, in person, on the phone or send it by mail.

BROWNIES
1 lb. (2 c.) margarine
1 c. cocoa
8 eggs
4 c. sugar
4 t. vanilla
2 c. salt
2 c. nuts (or less)
3 c. flour

Melt margarine and stir in cocoa. While this cools beat eggs, add sugar. Beat again. Add margarine-cocoa mixture, then add vanilla, salt and flour. Pour into a greased 18x12x1 pan and bake 25 to 30 minutes in a preheated 350 degree oven. This makes a thick brownie. Batter may be placed in smaller pans, but be careful not to overbake. Bake only long enough for the dough not to stick to a toothpick when inserted into the Brownies.

NOW, for those who only want one batch to be baked in a 7 x 11 pan use these amounts:
1/2 c. (1 stick) margarine
1/4 c. cocoa
2 eggs
1 c. sugar
1 t. vanilla
1/2 t. salt
1/2 c. nuts
3/4 c. flour

These may be iced with a chocolate icing or be served plain.

County HD Agent Gives Hints On Buying Thanksgiving Turkey

It's time again to think of your Thanksgiving dinner. If you are like most American homemakers, you will buy the traditional turkey within the next few days. Do you know what's available in turkeys now? Do you know what to look for in the turkey you will buy? Do you know how much to buy? Here are a few suggestions that may help you, says Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

Size of the ready-to-cook bird may range from 4 to 24 pounds and larger — from fryer roasters to large toms. Practically all turkeys retail are young (3 to 6 months), quickly grown and suited to such methods of cooking as

broiling, frying or roasting. In some areas, halves and quarters may be available.

Turkey parts — legs, wings, etc. are found in some markets. Boneless turkey is increasing in volume — boned and rolled, both uncooked and cooked. Boneless cooked turkey rolls are a real convenience item.

The following suggestions for buying are based on the number of servings you can expect to get from various-sized birds. When buying whole ready-to-cook turkeys under 12 pounds, allow 3/4 to 1 pound per serving. For larger birds allow 1/2 to 3/4 pound per serving. With uncooked boneless turkey roasts allow 1/3 pound per serving.

In most cases, large turkeys are more economical and they are excellent for use in future meals.

The majority of turkeys are sold frozen, and thawing requires special care. There are two recommended procedures for thawing: (1) Thaw in the refrigerator in the original wrap on a tray. This requires 1 to 3 days, depending on the size of the turkey. (2) Thaw the bird, still in its original water-tight wrap under cold running water or immersed in cold water, changing the water frequently. This procedure requires 6 to 7 hours for larger sizes.

Thawing at room temperature is not recommended because of the possibility of contamination.

Rebekah Class Thanksgiving Dinner Served

Rebekah Sunday School Class of First Baptist Church met Thursday afternoon at noon for their annual Thanksgiving dinner in the Fellowship Hall.

Mmes. Carl Young, Mae Young, and Jack White were hostesses. Mrs. Johnnie Agnew gave the devotional and installed the following officers and leaders: Mrs. Edgar Duncan, teacher; Mrs. L. B. Baker, assistant teacher; Mrs. Jack White, president; Mrs. Mae Young, vice president; Mmes. W. V. Walton, H. E. Carr, and Till Harbin, group captains; Mrs. Fred Rosenbaum, secretary; Mrs. Carl Young, assistant secretary; and Mrs. Johnnie Wood, reporter.

Others present were Mmes. Roscoe Perryman and Mrs. D. A. Brown.

Mrs. Patterson Hosts Garden Club Meeting Friday

Mrs. LaFoy Patterson was hostess for the Friday afternoon meeting of the Hamlin Garden Club.

The program, "Come Fly with Me" was presented by Mrs. John Ed Day and Mrs. Tarlton Willingham. Mrs. Day spoke on "Attracting Birds to Your Garden" using bird houses made from various materials to illustrate her presentation. Mrs. Tarlton Willingham spoke on "Leave it To the Birds."

Mrs. Marshall Stewart presented Rest Home therapy.

Each member brought a gift for the State Hospital project.

As the six-weeks again comes to an end and report cards are passed out, students look back wondering why they did not study harder or why they did not turn in that theme on time, and promise themselves that they will do better next time.

The Pipers closed the football season in a 34-34 tie with Haskell. This left the Pipers district mark at 2-4-1 and brought the season record to 4-5-1.

The annual football banquet honoring the team will be held tonight in the high school cafeteria. The Pep Squad has put much hard work into preparing the decorations for the banquet.

The Pied Piper marching band received a first division at marching contest last Saturday at Odessa. The long hours of marching and practicing put in by the band paid off. Only one other band in Class AA received a first division.

Last Wednesday seniors at H. H. S. received the proofs of their pictures that were taken the week before. They have all been busy comparing pictures and trying to decide which pictures they want.

The Student Council is preparing a Suggestion Box to be placed in the hall at H. H. S. The box will be for students wishing to express how they feel things should be done. The Student Council will read the suggestions and any considered worth while will be taken to the administration for consideration.

The Hamlin Elementary Girls' 4-H Club was organized for the 1968-69 school year when Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, met with them at the Hamlin Elementary School Nov. 11.

The agent discussed the aims of the 4-H, the meaning of 4-H, the emblem, motto, pledge, prayer and the requirements of a 4-H'er.

The different demonstrations and projects the 4-H Club girl can carry were discussed. The different areas that 4-Hers can work are foods and nutrition, clothing, money management, public speaking, bedroom and home improvement, leadership and safety.

Officers elected were: President, Patrice Moore; Vice President, Elaine Carlton; Reporter, Debbie Cary; Secretary, Melissa Madden; treasurer, Suellen Waggoner.

Social Security Calls Here to Be Fewer In Future

"It is quite likely that the frequency of visits to Hamlin by a representative of the Abilene social security office will soon be reduced due to the loss of three interviewers in that office by transfer and resignation," reports R. R. Tuley, Jr., District Manager. Such reduction is necessary to maintain a daily interviewing force at the district office, he added.

He suggests that those persons desiring to file claims bring with them any documents or proofs they feel relevant to their desired interview, thus making second and third returns to see the representative from Abilene unnecessary.

Tuley also thinks some Hamlin persons having other reasons for visiting Abilene might find it convenient to transact their social security business there, also.

Old Glory

By JUDY WHITE

Jane Barrera was crowned queen of Old Glory High School during coronation ceremonies held in the school cafeteria last Friday night. Herbert Woolridge was her escort. Jane is a junior in Old Glory High School and is the daughter of Mr. and Mrs. Manuel Barrera.

Celinda Vahlenkamp was crowned princess of the grade school. She was escorted by Eddie Wolsch. Celinda is the daughter of Mr. and Mrs. Eugene Vahlenkamp.

Other candidates and their escorts were: For queen, Cris Joiner and Joe Castro, Regina Letz and Steve Letz, and Tanya Moore and Gary Teichelman.

For princess: Linda Neumann and Eustaquio Castro, Debra Teichelman and Douglas Vahlenkamp, and Kara Jones and Jamie Wolsch.

Gary Bruns of Sagerton played the processional and recessional music for the ceremonies. Crown bearers were Elisa Cox and Marc

Moore, announcers were Rita Baldree and Judy Sander and Kenneth Jones and Rick Boles were ushers.

During the short program before the coronation ceremonies, Mr. Bill Wright introduced the school favorites for 1968-69.

Musical entertainment was furnished by Dalton Gill and a trio consisting of Rebecca Letz, Reva Letz and Viola Castro. The trio was accompanied by Gary Bruns.

Janis Houseworth of Abilene spent last weekend here with her parents, Mr. and Mrs. Les Houseworth. Other visitors in the Houseworth home on Sunday included Mr. and Mrs. J. V. Rittenour of Abilene.

Neinda Philosopher Follows the Trend and Comes Up With A Solution for Big City Problem

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One, unable to solve the farm problem, tackles the city problem this week.

Dear editor:

It suddenly occurred to me yesterday that during the entire recent campaign nobody recognized, not to mention offered a solution to, the farm problem.

Checking up on myself, I went back through a stack of newspapers I've been saving to start fires with and I'm right. The farm problem was plumb forgotten.

The city problem though came in for a lot of talk, that's where most of the votes are, and just last night I ran into an article trying to solve the traffic snarl-up in cities.

As I understand it, in most cities people try to drive their cars to work, and the place simply won't hold that many. So this article was saying people should drive their cars to the edge of the downtown center, transfer to a bus, ride the bus further in, then transfer to a moving sidewalk, jump off at their building, walk to the elevator, and ride on up.

There is just one flaw in this. They have to walk from the front door to the elevator.

I have thought about this transportation problem and the answer is simple. Buildings in most cities are only half tall enough.

Say you've got a 40-story building that'll hold 10,000 workers. Why scatter those 10,000 people way out in the suburbs, have them drive

10,000 cars in every morning and out every afternoon?

Why not add 40 more stories on top of the building and let them live there? A man having to report for work at 9 a.m. could sleep till 8:30, wolf down his breakfast, and take the elevator down to work on time. Everybody could even go home for lunch.

If they felt they had to have a lawn to work on, the company could plant grass on the roof, sprinkle some crabgrass seed around to make it challenging, and everybody could take turns at the sport.

As for the children, add a few more stories to the building and put a school there, with of course additional apartments for the teachers.

Actually with the addition of a hospital, nobody would ever have to leave the building till he went off to college, and if the foundation would hold, I guess they could add a college to the building too.

Don't know what they'd do about playing football, but I can't solve all the city's problems.

Yours faithfully,
J. A.

Deadline for Cotton Marketing Quota Referendum Set Dec. 6

The period December 2 through December 6 has been set for the marketing quota referendum for the 1969 crop of upland cotton, J. E. Nix, Chairman, Agricultural Stabilization and Conservation County Committee, reminds farmers. The vote will be held by mail as it has been for the past 2 years. Notices of farm acreage allotment will be mailed to operators of cotton farms prior to the referendum.

If quotas are approved by at least two-thirds of the upland growers voting, the program under which payments are made to cooperators will be in effect.

While all program details of the upland cotton program have not been announced, the farm domestic allotment has already been set at 65 percent of the farm acreage allotment. Farmers who sign up early next spring to participate in the upland cotton program and who plant at least 90 percent of their farms' domestic acreage allotment but not in excess of the permitted acreage for the farm will be eligible for price-support loans on all their cotton crop and for price-support payments based on the projected yield and the farm domestic allotment. Referendum ballots will be

mailed November 29, 1968 and must be returned to the County Office no later than December 6.

Charges Filed On Three Here

Charges have been filed on three persons following arrests made by the Hamlin Police Department.

Police Chief Bryan Wasson said that Rudolfo Chavez, 37, of McAllen and Earnest Edgar Barnes, 64, of Sweetwater were charged with second offense DWI before Judge Martin.

Ismael Mendoza, 20, of Hamlin pled guilty before Judge Leon Thurman to the charge of carrying a prohibited weapon. He had been arrested for carrying a knife with a blade of six inches.

Present Program

A group of first-year students of vocational agriculture presented a parliamentary procedure demonstration to the Jaycees Monday night. The students were Rodney Rackley, Bryce Fowler, Steve Baker, Ricky Rodgers, Billy Boil, Carlos Gonzalez, James Mayes, and Sammy Wilcox. The boys were all members of Hamlin's Junior Chapter Conducting Team.

Pipers Close Out Season Friday With 34-34 Tie With Haskell

The Pied Pipers put on the offensive show of the year Friday night as they closed out the season against the Haskell Indians. Led by hard running of Tailback Spencer Ford, the Pipers rolled up over 300 yards on the ground and 34 points on the scoreboard only to see the Indians come back twice and tie the contest 34-34.

The Pipers so completely dominated the first half that they ran 47 offensive plays to Haskell's 11. But they could only shake their heads with disbelief as they went into the dressing room at half-time with the score tied 20-20.

While the Pipers were rolling up their scores the hard way, three and four yards at a time, the Indians seem to always find an easy way to match the points. The real heart breakers for the Pipers were two first half kickoff returns for the first two Indian scores. The Indians put 13 points on the scoreboard without a first down and only seven yards rushing, these coming in the opening series of the game.

Ford was the night's top ground gainer with 155 yards in 42 carries, followed by Haskell's Charles Franklin with 119 yards in 15 carries. Quarterback James Asher was next with 112 yards in 22 tries and Halfback Robert Bolden carried seven times for 58 yards.

In the first period the Pipers had the ball for 24 plays to Haskell's four, in the second period they ran 23 plays to Haskell's seven, in the third it was 16 to 14 and in the final period it was 22 to 20.

The Indians took the opening kickoff and failing to make a first down punted 27 yards to the Hamlin 45. Ford carried for nine and then End Charlie Shira took a pitchout from Asher and passed to Bolden for a 31-yard gain to the 15. Aided by a Haskell five-yard penalty, it took Ford five plays to score with the last one good for two yards. Asher kicked the point-after.

Ronnie Nelson recovered the kickoff for the Pipers on the Indian 39 to set up the next Piper score. Bolden carried for nine and Ford got the first down at the 28. Asher tried his first pass but it was incomplete and he came back with two carries of six and four for the first. Fullback Donnie Smith gained three, Asher five and Ford got the first down on a three-yard carry to the six. Haskell drew a three-yard penalty and Ford hit the line for one yard,

the Pipers out in front 27-20. Ford carried 10 times for 50 yards in this drive.

End James Ledbetter picked up a partially blocked punt on his 42 and returned it to the Indian 33. Ford and Asher went back to work as Ford carried three times for a first down at the 19. Asher carried for eight, Hamlin lost five on a penalty, Ford carried for two and Asher carried for six more. A Haskell penalty gave the Pipers a first down on the four and it took Asher only two tries to score. His point-after kick was good and the Pipers were ahead 34-20.

But the Haskell Indians came back to score six plays later, aided by a 15-yard penalty against the Pipers. Ivy completed three of five passes in the drive including the scoring pass to Love for six yards. His two-point pass try failed and the Pipers were still ahead 34-26.

The Indians recovered a short kick on the Hamlin 41 and scored again three plays later as Franklin carried for 30 yards and Ivy connected with Felker for nine and the score, Franklin carried around his left end for the tying two points.

The Pipers picked up a first down on their 33, but were forced to punt on fourth down with Shira getting off a 46-yarder with no run back. Haskell moved from their 26 to the Piper 37 in three plays but then Ivy had three passes go incomplete and Shira picked off the fourth one at the Hamlin seven.

The game ended with the Pipers on the Indian 25-yard line.

Asher carried twice for a yard each with the second one being good for the score. Asher's kick was no good and the Pipers led 13-0.

Gary Felker took the kickoff and ran it back 75 yards for the score and Lanny Ivy's kick was no good to cut the Piper lead to 13-6.

With their offense still in high gear, the Pipers started operating from their 28-yard line following the kickoff and drove in to score. Asher and Ford did most of the damage to the Indians behind some tremendous line blocking by the Piper front wall. Ford carried 11 times for 50 yards and Asher carried six times for 18 yards and the score. Asher's kick was good and the Pipers were ahead 20-6 with just over six minutes left in the half.

Only this time it was Franklin's time to cut into the Hamlin lead as he raced 80 yards for the score. Ivy's kick was good.

Following the kickoff the Pipers drove back down the field from their own 35 to the Indians 21-yard line, where on fourth down Asher tried a 33-yard field goal. It was short of the mark.

The Indians took over on the 20 and four plays later had the score tied up as Ivy connected on a 52-yard pass to Donald Love to the Hamlin four, Wayne Reeves carried in on the next play and Ivy tied up the score with his kick.

The Indians recovered an on-side kick and moved to the Hamlin 30-yard line as the half ended.

The Pipers were forced to punt following the second half kickoff with the Indians taking over on their 32. It took the Indians just nine plays to get to the Hamlin 19-yard line before the Piper defense stiffened. Ivy was caught for losses twice trying to throw and on fourth down Bolden intercepted an Ivy pass and returned it to the 31.

It took the Pipers just 15 plays to break the tie as Ford scored over his left guard on a two-yard plunge. Asher kicked the point-after to put

Putting forth a *Real* effort

A child's first attempts at printing require deep concentration and great effort. However, with patience and practice he becomes more adept and lettering is easier. Then he is ready for the next step, learning to write.

The Lord expects us to put forth an effort to improve ourselves.

"I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Plant Diseases Need Considering In Cropping Plans

Most farmers during the weeks ahead will be considering cropping plans for next year.

County Agent Kirby Clayton suggests that plant diseases be given a lot of attention. He says that research has established the fact that many plant diseases become more severe as a result of continuous cropping to one crop or crop family over a period of time.

For example, if a field has been continuously to cotton and is heavily infested with cotton root rot fungus, consideration should be given to the use of a member of the resistant grass family such as grain sorghum or small grain in rotation.

Crop rotation programs are not "cure-alls," but when used in conjunction with other good disease control practices, they will lower disease losses caused by soil borne disease organisms, says the agent.

Information on crop rotation plans are available from the offices of local county agents and Clayton said he would be happy to discuss the subject with interested farmers.

Screwworm Cases Reported On Increase All Across State

Over 4,000 cases of screwworms have been confirmed by the Mission Laboratory for the month of October, according to a report this week from County Agent Kirby Clayton. As of November 1, 1968, the Laboratory reported 7852 cases or more than any year since the program started in 1962 with the exception of the first year.

Clayton says that Jones County has three confirmed cases so far this year and one of these was in a cat. The other two were in livestock in the Noodle area.

Briseo and Swisher counties are the northern most counties reporting screwworm outbreaks.

Clayton emphasized that good management practices should be continued. Where possible, a delay of all animal surgery is advisable until cold weather takes a firm foothold in the area. Herds should be inspected regularly and all wounds should be treated as soon as possible. Spraying of herds will help reduce fly populations.

All suspected screwworm cases should continue to be reported to the Mission Lab for identification, urge officials. Areas with confirmed cases will be "bombed" promptly with sterile flies. Containers for mailing worm samples are available from local county agricultural agents.

NEWS FROM ...
Sylvester
By MRS. R. M. BARR

We are having some bad weather but guess we can expect it this time of year.

Mr. M. L. Howard was released from Hamlin Hospital and is doing fine at this time.

Happy birthday to Mrs. Homer Pursley.

Mr. and Mrs. Buford Brown have returned from a nice trip, first to Harlingen to visit with their son and family then on to Houston to visit her brother, Alvin Woodson, and on to Arkansas to visit his brother, Frank Brown, and their families.

The Homer Pursley family took a ride last weekend to the lower part of Texas, over into Old Mexico then back through the Sonora Caves and back home. The boys really enjoyed it.

Bro. and Mrs. Don Forrester attended the Texas Baptist Convention in Ft. Worth this past week.

Guests from Roby and Sylvester attended a Stanley Party in the Mutt Early home one night this past week.

Mr. Gordon Davis is back on the job and feeling much better.

Mrs. Aileen Stevens of Marshall and Mrs. Hazel Mauldin of Stephenville are enjoying a visit with their Mother, Mrs. Tindal and their sisters, Mrs. Guy Mauldin and Mrs. A. J. Ford

Mr and Mrs. Max Deel visited in the W. B. Brown home over the weekend.

I look out and see these pickups going down the road with two trailers behind them with three to four bales of cotton in them and think back when we got our sack and pulled those bales for 25c a hundred pounds and the farmer did real well if we got two bales a week for him to take to the gin. Talk about fun, we had a lot of it and we were happy because we were satisfied with what we had. Wait a minute I am giving away secrets, maybe I had better shut up.

Charles Hill of Texas Tech had a nice visit with his parents over the weekend, the A. J. Hills.

Happy Birthday to Jackie Williams.

Happy Birthday to Mrs. F. E. Meeks also.

Mrs. W. B. Brown is back in the Post Office after a nice long vacation.

Mr. and Mrs. Buddy Williams of Irving spent the weekend with his mother, Mrs. Gladys Williams, and attended the Homecoming at McCaulley.

Mr. and Mrs. J. P. Ma-

berry drove to Irving over the weekend and took the granddaughters home. They had been here for several days. I found out since I started

this writing that. Mr. and Mrs. M. D. Brown and Mrs. Clara Montgomery have all been dismissed from Hamlin Hospital and doing good. Lea Dickerson and Mrs. Jack Gann are still there. Mrs. Gann finally has her ankle in the east. Faye Dozier is in the Anson Hospital.

We are very proud of Rhonda Douglass. She was elected Football Sweetheart at the Roby School. She is the daughter of Mr. and Mrs. Thurman Douglass.

Mrs. Lee Lanning spent Sunday night with Lee's parents, the Jim Lannings. She arrived on Saturday from Ft. Bragg, N. C. and will be here and in Roby for a few weeks while 2nd. Lt. Lanning is in Ranger School.

AVERAGE CONSUMPTION OF ELECTRICITY BY CO-OP MEMBERS

1970 **THE CO-OP WILL BE READY**

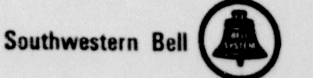

If rural people continue to use electric power at the present rate, by 1970 they will require 600 kilowatt hours per family per month, or about five times more than they were using just 20 years ago. The increased demand for electricity is the result of more electric appliances and equipment in rural homes. Yet, the market for these appliances is far from saturated. Although 91% of the rural homes have TV sets, only 5% have a dishwasher, 2.5% a garbage disposer and only 2.6% have central air conditioning. This means the years ahead will be fruitful ones for the main street appliance store. The electric cooperative will have the power when it's time to plug these appliances in. Advance planning lets the electric cooperative anticipate this need and stay ahead of the demand for electric power that is Helping Texas Grow.

"If I have questions about bills, payment arrangements, or some other telephone matter, whom do I call?"

Here's the expert.
She's your telephone service representative. To many telephone users, she is the phone company. She answers questions, provides personal number booklets, directories and duplicate bills. She helps you get new phones installed. As a service representative, she has to be something of a lady executive, a bit of a diplomat and an expert in phone service. And she is. She was hired from a select group of applicants and put through an extensive training program. And she attends regular meetings to discuss customer service. Next time you need help on a telephone problem, just call the telephone business office. Your service representative will take it from there.
